Dear Kap:

Thank you for your letter with respect to the Interurban Club. I am delighted at your suggestion that Dick Rifkind be nominated as a candidate for the Interurban Club. He would have my strongest support.

It never occurred to me to suggest Josh Lederberg for membership in the Association of American Physicians. If he would be interested, I would be delighted to propose him and perhaps you could second his nomination. He clearly would add luster to the Association. The only question in my mind is whether he would be sufficiently interested in its activities. As you know, there is a requirement that he attend something like one or two out of every three annual meetings to maintain his membership and I'm sure this issue would arise in the deliberation of the membership committee. I will look forward to hearing from you on the above.

With warmest regards,

Sincerely,

Paul A. Marks, M.D.
Vice President for
Health Sciences
